

Pledge submitted by Franciscans International to the Human Rights 75 Secretariat
December 2023

Original language of submission: English
Type of pledge: Single (by one state/actor)
Pledging entity: Franciscans International
Location: Switzerland

PLEDGE NUMBER 1: Franciscans International builds a bridge between Franciscans at the grassroots and the United Nations. With the support of our team of human rights experts, the concerns of Franciscans and the people they work with are brought to the attention of the international community. Franciscans International advocates for human dignity and environmental justice, using a rights-based approach. We pledge to work toward a global community in which the dignity of every person is respected, resources are shared equitably, the environment is protected, and nations and peoples live in peace.

Expected deadline within which pledge will be realised: Dec 10, 2026
