### **IV. NOTABLE ACHIEVEMENTS OF THE LDCS/SIDS TRUST FUND**

We recognize the following, among the notable achievements of the LDCs/SIDS Trust Fund:

1. The convening of this Workshop for LDCs/SIDS in the Caribbean Region constituted the first of a series of three (3) Workshops to be organized before 2022, the Tenth Anniversary of the Fund, as mandated in HRC Resolution 34/40;

2. This Workshop brought together, for the first time, all delegates and fellows of the Caribbean Region that have participated in a regular session of the HRC with the support of the LDCs/SIDS Trust Fund. We embraced this Workshop as a unique forum for the exchange of experience, information and ideas and for the documentation of best practices that would further enhance and strengthen the capacity of our countries, nationally, regionally and internationally, to effectively participate in the Human Rights Council and its mechanisms;
3. The milestone reached in the operations of the Trust Fund in June 2017, when the Caribbean region became the first of the three (3) eligible regions to have received 100% support for all of its 14 Member States to participate in the work of the HRC with awards from the LDCs/SIDS Trust Fund;
4. The creation of capacity building and supportive mechanisms including induction training, its work in different languages, periodic briefing of LDCs/SIDS at United Nations Headquarters on the outcomes of regular and special sessions of the Human Rights Council, and the creation of an e-learning tool was deeply appreciated.
