Subject: Human Rights Council resolution 29/22

The Office of the United Nations High Commissioner for Human Rights (OHCHR) presents its compliments to all Permanent Missions to the United Nations and has the honour to refer to the Human Rights Council resolution 29/22 on the "Protection of the family: contribution of the family to the realization of the right to an adequate standard of living for its members, particularly through its role in poverty eradication and achieving sustainable development," adopted at its twenty-ninth session on 3 July 2015.

In paragraph 29 of the resolution, the Human Rights Council requested the High Commissioner to "prepare a report on the impact of the implementation by States of their obligations under relevant provisions of international human rights law with regard to the protection of the family, and on the contribution of families in realizing the right to an adequate standard of living for their members, particularly through their role in poverty eradication and in achieving sustainable development, while giving due consideration to the status of the family in the developments related to the ongoing work on the future sustainable development goals and the post-2015 development agenda, and to present it to the Human Rights Council at its thirty-first session."

For this purpose, OHCHR is requesting any information and contributions in response to the resolution. They should be sent to Mr. Saranbaatar Bayarmagnai (registry@ohchr.org and sbayarmagnai@ohchr.org) **no later than 16 October 2015**.

For environmental considerations, concise and electronic submissions are encouraged.

The Office of the United Nations High Commissioner for Human Rights avails itself of this opportunity to renew the assurances of its highest consideration to all Permanent Missions to the United Nations.
