

Dear Participants,

This note is to thank you for your interest and participation in a presentation by UNCTAD's Investment Division during the Annual Forum on Business and Human Rights, held at the Palais des Nations on December 4 and 5, 2012.

As a follow-up to this meeting, we would like to remind you that the Investment Policy Framework for Sustainable Development (IPFSD) formed the crux of our presentation, and that the IPFSD has been designed as a "living document". "IPFSD online" establishes an interactive open-source platform that will enable stakeholders to exchange views and experiences in order to stimulate critical assessment of the guidelines and help us to continuously improve them for the benefit of all. In this light, we would be very pleased to see your comments, suggestions and concerns posted there.

The **two very easy steps** to post comments on the forum are listed below:

1. Create and account on [UNCTAD's Investment Policy Hub](#).
2. Login to the website, and participate in general discussions, leave specific comments on the IPFSD and its individual parts, or suggest new topics for discussion.

You also have the option to set up email alerts for specific discussion topics or sections of the IPFSD.

Thank you again for your interest in IPFSD. We look forward to continuing the conversation at <http://investmentpolicyhub.org>!

With best regards,

UNCTAD's IPFSD Team
