### **Inputs to Negative impact of corruption**

#### **a. Challenges**

- ✓ Corruption practices by high authorities on the top of the country management; those entitled to fight corruption.
- ✓ Lack of ethical values in the public services such as presidential office, ministries, parliament, government, justice organs, etc.
- ✓ Lack of political will to fight corruption,
- ✓ Institutionalization of corruption,
- ✓ Inoperability of justice institutions

#### **b. Good practices**

In DRC

- Creation of OCEP (Observatoire Congolais d'Ethique Professionnelle)
- Creation of NGOs committed to fight corruption like LICOCO: (Ligue Congolaise Contre la Corruption), CARI, and so...
- Denunciation and lobbying made by NGOs in the corruption field,
- Awareness campaign of the public,
