Subject: Topic proposals for the Forum of human rights, democracy and the rule of law

Dear Sir or Madam,

The President of Ohaha Family Foundation presents on behalf of our organization our compliments to the Chief, Rule of Law and Democracy Section, and I have the honour to transmit the proposal topics to be discussed during the forum of human rights, democracy and the rule of law as follows:

- i. Data and incidence reporting mechanism for human rights reporting, that is specific to countries, regions and global.
- ii. What are the countability mechanisms in place to hold state and non state actors to account for human rights violations
- iii. What are the tools and technologies available to check corruption and fraud in human rights funding
- iv. How to improve protection for human rights defenders and whistle blowers especially in countries or regions know for lack of respect for human rights.
- v. How can technology be used to improve access to justice for all in developing countries.

Please accept the assurances of my highest regards as we look forward to a successful hosting come November 2020.

Yours Sincerely

John Ede

President,

Ohaha Family Foundation,
