

## Topic b) The percentage of women in the judiciary and senior civil service positions

<b>Variable (Total Number)</b>	<b>2015</b>	<b>2016</b>	<b>2017</b>	<b>% 2017</b>
Senior level civil servants	17 000	19 000	18 000	100.0
Senior level civil servants, women	7 000	8 000	7 000	41.3
Senior level civil servants, men	11 000	11 000	10 000	58.7

Data are rounded by multiple of 1000 and it is the reason why the total does not always correspond to the sum of women and men.

But the percentages are precise because they are calculated with the unrounded figures.

<b>Members of the constitutional courts (Number )</b>	<b>2016</b>	<b>2017</b>	<b>% 2017</b>
Members of the constitutional court, total	38	38	100.0
Members of the constitutional court, women	12	14	36.8
Members of the constitutional court, men	26	24	63.2
