QUESTIONNAIRE ON INFORMAL SETTLEMENTS AND HUMAN RIGHTS

17 APRIL 2018

By e-mail on the 5 April 2018, the Special Rapporteur on the right to adequate housing has requested information about informal settlements and human rights in Denmark.

The Danish Institute for Human Rights are unfortunately not able to provide a response to the attached questionnaire on informal settlements and human rights in relation to Denmark, as there is no information available. However, it can be informed that the extent of informal settlements in Denmark as defined in the attached questionnaire are considered to be very limited or non-existing.¹

Kind regards
