INCLUDING PERSONS LIVING IN INFORMAL SETTLEMENTS IN **WASH RESPONSES TO COVID-19 TO LEAVE NO ONE BEHIND**

This online roundtable provides an opportunity for representatives of vulnerable groups living in informal settlements around the world to explain how responses to COVID-19 are affecting them and to make recommendations to States, UN, development partners and donors.

It is a forum to address their specific and diversified challenges and needs by including them in the planning and implementation of COVID-19 responses, setting specific LNOB targets in WASH and across other sectors.
