

**Questionnaire**  
**Report (HRC/15/41) of the Independent Expert on the question of human rights and extreme poverty on the draft guiding principles on extreme poverty and human rights**

***Ad II: Rationale for the development of guiding principles on human rights and extreme poverty***

- Based on the report of the independent expert (HRC/15/41), what would be the added value of guiding principles on human rights and extreme poverty?

***Ad III: Conceptual framework***

- Considering that the majority of those living in extreme poverty are children, should the guiding principles have a dedicated section on this specific group or should this issue be cutting across the text? (paragraph 19 of the report); and what about other specific groups?

***Ad IV: Overview of the main underlying and reinforcing deprivations faced by persons living in extreme poverty***

- Would you identify other underlying and reinforcing deprivations and obstacles faced by persons in extreme poverty, in addition to the ones included in this section of the report?

***Ad V: Proposal for improving the draft guiding principles on extreme poverty and human rights***

- Are there any important aspects or issues missing in the annotated outline for guiding principles proposed in this section of the report?

***Section 1: Overarching human rights principles***

- Is the list of human rights principles in this section (headings A to G) sufficiently comprehensive or should any other principles be included in the guiding principles on extreme poverty and human rights?
- Are there any important aspects or issues missing in the recommendations in bold proposed under each of the overarching human rights principles in this section of the report?

***Section 2: Overarching policy guidelines***

- Is the list of ‘overarching policy guidelines’ in this section (headings H to K) sufficiently comprehensive or should any other overarching policy guidelines be included in the guiding principles?
- Are there any important aspects or issues missing in the recommendations in bold proposed under each of the overarching policy guidelines in this section of the report?

### *Section 3: Specific rights-based obligations*

- Is the list of rights identified in this section sufficiently comprehensive (headings L to W) or any other human rights should be also reflected in the guiding principles?
- Are there any important aspects or issues missing in the recommendations on bold proposed under each of the specific rights-based obligations in this section of the report?
