

**Written submission to the Report of the United Nations Special Rapporteur
on freedom of religion or belief to the General Assembly
7 June 2019**

The World Jewish Congress, the representative body of more than 100 Jewish communities around the world, is pleased to share the following recently published reports on Antisemitism in some of our communities. In addition, we provide you with a compilation on incidents involving antisemitism from around the world, found through online media sources, from 11 January 2019 till today.
