1990-1999	47	6	3		
2000-2009	50	16	3	1	
2010-2019	44	37		1	1
2020-2029			1		
Overall	292 (357)	66	7	2	1

Note: Statistic only includes **documented** cases in the German prostitution industry. The actual number is probably much higher.

The German BKA once had a official statistic that counted 88 murders in the time period from 1950 – 1965. The project so far could find information on 23 of these cases.

There is no official statistic anymore in Germany.
