

# ROADMAP TOWARDS THE 10<sup>th</sup> SESSION OF THE OPEN-ENDED INTERGOVERNMENTAL WORKING GROUP ON TRANSNATIONAL CORPORATIONS AND OTHER BUSINESS ENTERPRISES WITH RESPECT TO HUMAN RIGHTS

Geneva, May 2024

Paragraph 31 of the *Report on the ninth session of the open-ended intergovernmental working group on transnational corporations and other business enterprises with respect to human rights* ([A/HRC/55/59](#)) contains the following relevant recommendations adopted by consensus:

- (c) *That due consideration be given to presenting a procedural decision to the Human Rights Council (HRC) to request the additional human and financial resources necessary to move the process forward, in line with the mandate established by the HRC in its resolution 26/9, and to enhance the support capabilities in the area of business and human rights within the Office of the United Nations High Commissioner for Human Rights (OHCHR), for the work on the legally binding instrument (LBI).*
- (d) *That the Chair-Rapporteur hold consultations during the intersessional period, with the support of the friends of the Chair, on a methodology to advance more effectively the process for the elaboration of the LBI, in line with the mandate established by the HRC in its resolution 26/9, and ensuring the broadest possible interregional support for the process.*
- (e) *That the Chair-Rapporteur convene intersessional, interregional thematic consultations to discuss the draft LBI, in line with the mandate established by HRC in its resolution 26/9, with the assistance of at least five legal experts. The selection of the experts should be suggested by the OHCHR. The experts should represent different legal systems, their selection should aim at geographical and gender representation and the regional coordinators should be informed of the selection in a timely manner.*
- (f) *That the Chair-Rapporteur prepare a programme of work and present a methodology for the tenth session of the working group, to be held in 2024.*

On 15 March 2024, during the 55<sup>th</sup> regular session of the HRC, the Chair-Rapporteur of the Working Group (IGWG), delivered a statement regarding the presentation of the abovementioned report, as well as his personal assessment of that session, followed by a proposed way forward to enhance the capacity of Member States, together with other relevant stakeholders, to deliver on the mandate of HRC resolution 26/9.

As part of that way forward and in full compliance with the recommendations adopted by consensus at the end of the 9<sup>th</sup> session, and in dialogue with the Friends of the Chair, the Chair-Rapporteur proposes the following activities to be held during 2024, in the intersessional period, until the holding of the 10<sup>th</sup> session (21-25 October 2024), and their respective tentative dates:
