

**Comments of the NGO Centre for Health Science and Law by Zoom
Seventh session of the open-ended intergovernmental working group on
transnational corporations and other business enterprises with respect to human rights
of the United Nations Human Rights Council
October 25-29, 2021
concerning Articles 13 and 15
(name of fund)**

The Centre for Health Science and Law supports the proposal by Panama to include a reference to the best interests of the child in the preamble.

The Centre for Health Science and Law (CHSL) proposes that the Working Group:

III (part one). Amend Articles 13(2(e)) and 15(7) as follows (Victim Fund) as follows:

International Advocacy Fund for Victims of Human Rights Abuses or Violations Concerning Businesses (also referenced in article 13.2(e))

Rationale: The longer name more accurately characterizes the fund's purpose—especially to a general audience—and distinguishes it from a compensation fund.
