

Business and Human Rights Webinar

THE DANISH
INSTITUTE FOR
HUMAN RIGHTS

The Role of NHRIs in The Africa Continental Free Trade Area Agreement Webinar

This webinar will provide a platform to: take stock of the gains made post the previous AfCFTA engagements; build on existing efforts on the theme, specifically on: creating awareness about AfCFTA and its potential human rights implications through the human rights-based approach to development lens, focusing on the intersecting trade, social and environmental impacts; Strengthen the capacity of regional and national human rights actors to engage and contribute to an inclusive and equitable AfCFTA and identify mechanisms through which these actors can engage and meaningfully contribute to ensuring that the implementation of AfCFTA is human rights compliant; identify and clarify the roles and opportunities for NHRIs in the implementation of the AfCFTA.
