

HUMAN RIGHTS EDUCATION FOR MEANINGFUL PARTICIPATION IN AND FAIR DISTRIBUTION OF BENEFITS OF THE AfCFTA

The panel will analyse how human rights education can serve as a catalyst for empowering women and youth to actively engage in trade activities, fostering an inclusive implementation of the AfCFTA and sustainable development across the continent.

Through expert discussions and sharing of experience, the panel will generate actionable recommendations and strategies for policymakers and stakeholders to ensure that women's rights and the rights of young people are prioritised and mainstreamed in the implementation of the AfCFTA.
