1. No. The state has not adopted working definitions of gender and related concepts aiming to address violence and discrimination based on sexual orientation and gender identity. See homosexual manifesto:

a. The state (Canada/United States/North America) has not carried out evaluations, assessments or evidence-gathering about the impact of the implementation of the homosexual manifesto against heterosexuals. The State has not investigated any of the threats made against heterosexual people as articulated, published and stated in the homosexual manifesto. **Note:** The statements made in the homosexual manifesto (circa 1987) above are considered: **hate speech, uttering threats, death threats, crimes against humanity, sexual exploitation of children, rape, sodomy, war crimes, genocide, apartheid, trafficking in human cargo** and the state authorities refuse to demand an explanation from the **LGBTQIA2S+** community as to why these statements of uttering threats, violence and necrophilia are made in the homosexual manifesto; which is contrary and goes against the UN Charter and International law.

b. **INFORMATION:** i) Homosexual Manifesto: (You did not hear about this because it was not written by Catholic priests. And it has become fact and the “American Way” as promulgated by the United States Supreme Court as manipulated by the gay cult and Incurable Liberal Loons of the entropic press & media.) **Journal of Psychology and Clinical Psychiatry Volume 6 Issue 1 - 2016 Retired, Assistant Clinical Professor Psychiatry, Case Western Reserve University School of Medicine, USA**

ii) Chapter 29 The Attack on the Family The family unit has been called the cornerstone of civilization. The concept that the parents are responsible for the upbringing of the children produced during the marriage is the cornerstone of American life. Yet, there are efforts in America today to undermine, if not to destroy, the family unit altogether. The desire to destroy the family unit is, as has been briefly alluded to in previous sections of this study, one of the goals of the New Age-Humanist-Communist movement. Marilyn Ferguson, the New Age writer, has written this about the family unit in her book entitled THE AQUARIAN CONSPIRACY: "Many sociologists anticipate the 'evolution' of monogamy. Marriage, they say, must be transformed as an institution if it is to survive at all. 229

iii) The word is crucial because state law says only 'family members' may take over rent-controlled apartments when the tenant of record dies. The court said that the definition should include adults who show long-term financial and emotional commitment to each other, even if they don't fit the traditional meaning of a 'family.'" 562 So, even the definition of a family is under attack. It will have to be changed if the family is to be destroyed. As discussed, there are some who want the family unit to be destroyed altogether. The destruction of the family unit has been the goal of the Communists and Socialists for over 140 years. Karl

Marx, the so-called father of Communism, wrote that that was the goal of the Party: "Abolition of the family! Even the most radical flare up at this infamous proposal of the Communists." 563 And Robert Owen, the so-called father of Socialism, wrote: "In the new moral world, the irrational names of husband and wife, parent and child, will be heard no more. All connection will be the result of affection; the child will undoubtedly be the property of the whole community." 564 And the process of the change from the idea that the raising of the child should be the responsibility of the family to that where the child will be raised by the state has already started in some of the Communist countries.

2. No. The State has made no effort to investigate or address the violence and discrimination against those who are heterosexual as stated in the homosexual manifesto: **hate speech, uttering threats, death threats, crimes against humanity, sexual exploitation of children, rape, sodomy, war crimes, genocide, apartheid, trafficking in human cargo against those who are heterosexual which goes against the United Nations Charter, the UN Declaration on Human Rights, UNDRIP, ADRIP, UN Convention on Economic, Social and Cultural Rights and the Nuremberg Charter.**

b) INFORMATION: ABC's Sunday Night Local Podcast (Australia)- "The homosexual agenda, it's the homosexual plan for world domination it first appeared in 1987 in a book called "After the Ball, the Overhauling of Straight America" But unlike the Protocols of the Elders of Zions "After the Ball" is not a Russian fake. "After the Ball" is real and we're about to speak to one of its authors. Depending on how you see marriage equality you and I are about to be in the presence of homophile evil personified or true international greatness. Dr. Hunter Manson is a Harvard trained social scientists and he's been accused since 1987 of setting up a worldwide internationally successful and seemingly unstoppable agenda..."

a. Yes; Note the following:

The Problem that People of African Descent(MISNOMER: African-Americans), historically marginalized and discriminated groups, including indigenous and minority groups lack effective participation of youth belonging to historically excluded groups in public decision making have is that **BLACK HAS NO STANDING AT LAW**. (So Tom Joyner interviews President Barack Obama on his 'Tom Joyner Morning Show' and greets him by saying "It's our first 'BLACK' president of the United States"...President Obama replies 'Tom I don't look at myself as the first 'BLACK' president because the word '**BLACK**' has no standing at law.

(<https://www.facebook.com/PastAndPresentKingsandQueens/posts/167460326711167> [#1 OUT OF 55,900,00 on Google Search ;](https://www.google.ca/?gfe_rd=cr&ei=DCupVvzGE4Lt8wfJzbyICg&gws_rd=ssl#q=black+has+no+standing+a+t+law) ). The United States OMB FORM SF-181 Form([https://www.opm.gov/forms/pdf\\_fill/sf181.pdf](https://www.opm.gov/forms/pdf_fill/sf181.pdf) ) specifically states that Black/African-American "is a person belonging to any of the "Black Racial Groups of Africa". There are NO "Black Racial Groups" of Africa and can be proven by anyone who is from Africa as they refer to themselves from a: Tribe, Clan or a Village; Furthermore, People from Africa will tell you they do NOT call/refer to themselves as "Black" in their language. The United States OMB FORM SF-181 Form([https://www.opm.gov/forms/pdf\\_fill/sf181.pdf](https://www.opm.gov/forms/pdf_fill/sf181.pdf) ) states that "**White**" is "**any person belonging to the Original Peoples of: Europe, the Middle East and North Africa**". This would mean that Black/African-American should be calling themselves White and NOT "Black". Due to this deliberate and intentional misidentification, misclassification this explains the Injustice, discrimination, atrocities, violations, genocide apartheid and rape committed against Peoples of African Descent(MISNOMER: Black/African-American). This is contrary to the United Nations Conventions on the Rights of the Child, United Nations Charter, United Nations Declaration on Human Rights, United Nations Declaration on the Rights of the Child, United Nations International Decade for People of African Descent.
