Subject: GM4MD Submission for Upcoming Report

Greetings,

My name is Jan Jan from Global Movement for Myanmar Democracy (GM4MD) and I would like to share with you an informal list compiled by my team, which you may find useful for your upcoming report on roles and responsibilities of non-state actors in transitional justice processes.

Our list, which we call the [Global Action Record](#), highlights actions that have been taken by government and non-state actors since the February 1 coup in Burma. While the list itself is still a work-in-progress, and not perfectly comprehensive, I am sending this to you in hopes that it may still be of some use to you. Thank you!

Best regards,
Jan Jan
