

ADVANCE QUESTIONS TO FINLAND – ADDENDUM 2

NETHERLANDS

- Could the delegation elaborate on the position of ethnic minorities, such as Roma, and on the Finnish efforts to promote respect for their rights?
- What measures does the Finnish government take to ensure the position of the Sami?
- The national report openly describes the challenges of domestic violence and violence against women. The report mentions many measures that are taken to curb this problem. Does the government think these measures will result in the necessary change of mentality in society?
