## Subject: NGO Report for Universal Periodic Review of India (April 2008)

Madam,

Please find attached the NGO Report for the Universal Periodic Review of India (April 2008) from the Centre for Organisation Research and Education.

Nine documents are attached additionally as factual and detailed information substantiating the submission.

This report has been developed through a consultative process with members of the Apunba Lup, Manipur, a coalition of more than 24 civil society organisations including human rights organisations that have been spearheading the national campaign against the Armed Forces (Special Powers) Act, 1958 and advocating against all manifestations of impunity by the Armed Forces of India in Manipur.

We understand that the tentative deadline for submissions by NGOs for the first UPR session (scheduled 7 - 18 2008) is November 20, 2007. However, should further information be required to substantiate any aspects of this submission, please do get in touch with us by email.

Yours sincerely

Debabrata Roy Laifungbam
