

ADVANCE QUESTIONS TO SINGAPORE – Add.3

NAMIBIA

- Namibia commends Singapore for ratifying CEDAW and CRC? When will the Government of Singapore ratify outstanding core international human rights conventions, such as the ICESCR, ICERD, CAT and the ICCPR, as well as the Palermo Protocol?
- Namibia acknowledges the sovereign right of Singapore to exercise the death penalty. However, reports from civil society indicate that the death penalty is mandatory for crimes such as murder, unlawful possession of firearms and drug trafficking. What steps will the Government of Singapore take to review the scope of capital offences, in order to impose a moratorium on executions, with a view to completely abolish the death penalty?
- What measures has the Government of Singapore taken to promote and protect the rights of people with disabilities?
- What steps will the Government of Singapore take in order to establish an independent electoral commission in line with international standards?
